

## Family Air / Poled Tents & Camping Accessories Range

2024

### Camp Star DT... Discover the all new Camp Star range of **Dura-Tech** fibreglass poled family tents.

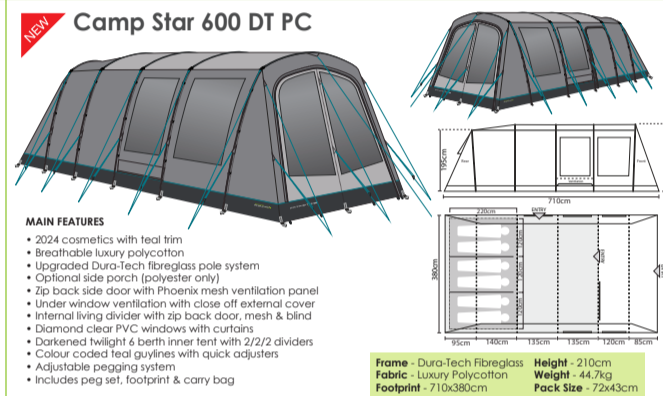

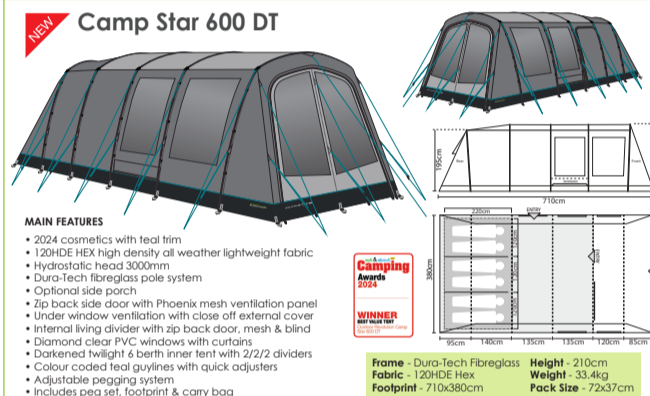

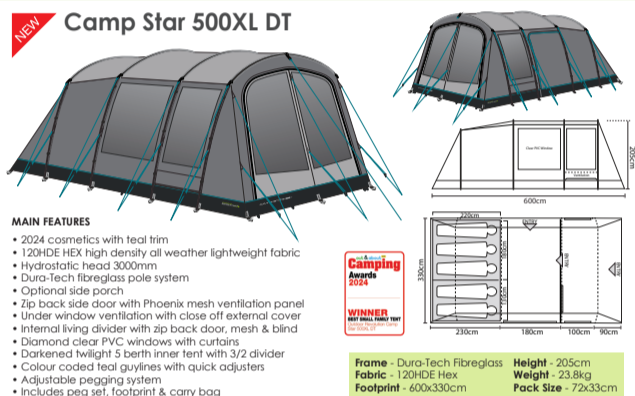

New for 2024, based on the award winning Camp Star air tent models is the all new collection of 3 'Camp Star' Dura-Tech fibreglass poled family tents; aimed to offer couples & families, a modern range of strengthened fibreglass poled tents of high specification & functionality at unparalleled value for money without compromise to quality.

Ranging from 1 compact 5 berth models and 2 versions of the popular 6 model, available in both polyester & breathable luxury polycotton options. Featuring our tough Dura-Tech fibreglass pole system, providing increased strength and durability compared to other standard fibreglass pole tents to help safely weather the storm. **All Camp Star DT poled tents come complete with a footprint groundsheet included in the package.**

When it comes to upgrading & expanding, the Camp Star DT fibreglass pole tent range is compatible with the Camp Star side porch accessory option.

Camp Star DT fibreglass pole tent collection offers an affordable alternative to air tent models.

### Camp Star ... Discover the Award Winning Range of Camp Star family air tents.

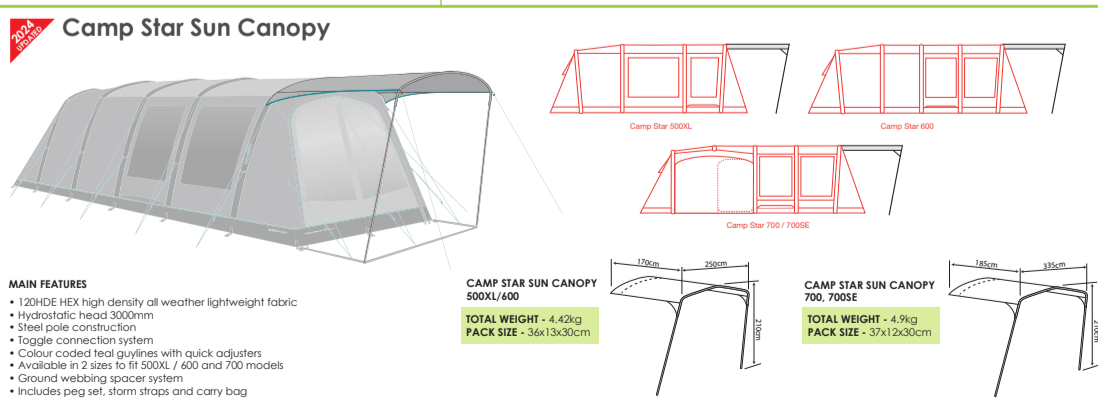

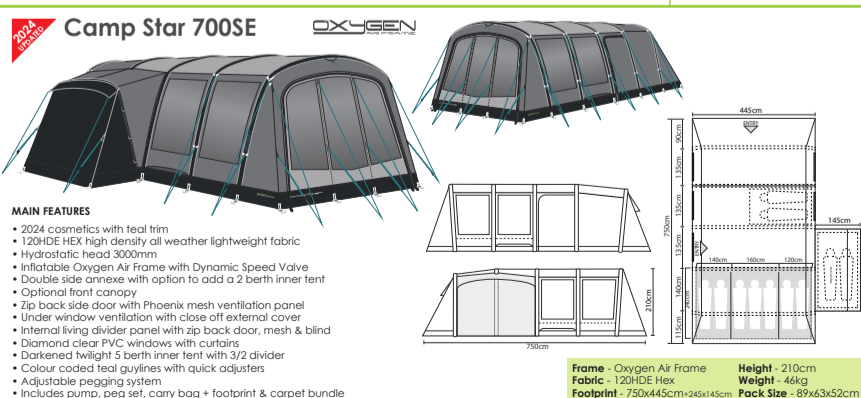

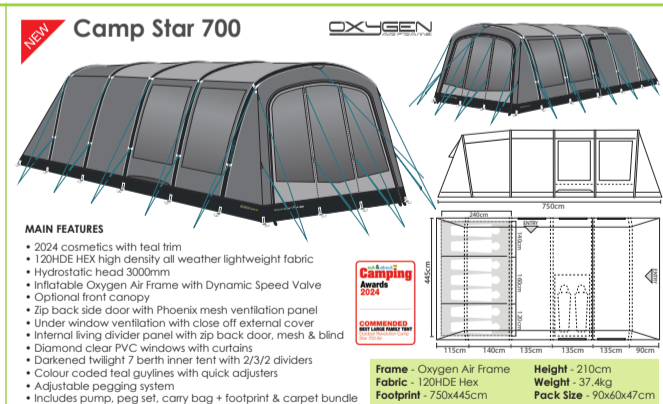

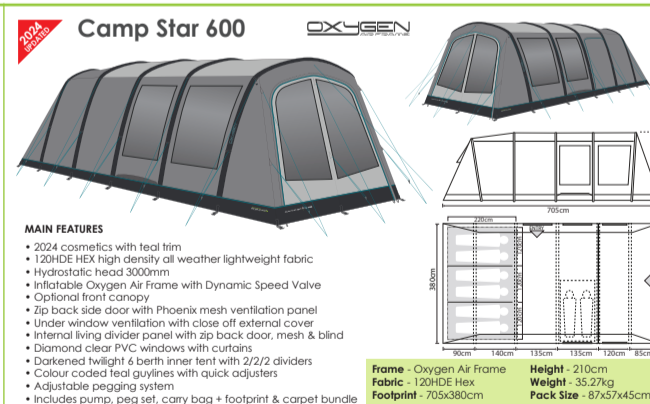

Updated for 2024 with a new stunningly sharp cosmetic look, the award winning Outdoor Revolution Camp Star air tent range is an impressive affordable collection of lightweight family air tents aimed to offer couples & families the chance to own a modern family air tent of high specification & functionality at unparalleled value for money without compromise to quality.

Ranging from a 5 berth compact model to the large family 7+4 berth model with side annexe; this fully comprehensive range of 4 air tent models offers something affordable for anyone with aspirations of starting out camping or simply upgrading to owning their first air tent. **All Camp Star air tents come complete with a footprint groundsheet & Dura-Tread carpet included in the package.**

When it comes to upgrading & expanding, the Camp Star air tent range offers a front canopy accessory option & is also compatible with the Camp Star Side Porch.

Camp Star air tent collection really does live up to our mantra of 'Bringing the outdoors to everyone'.

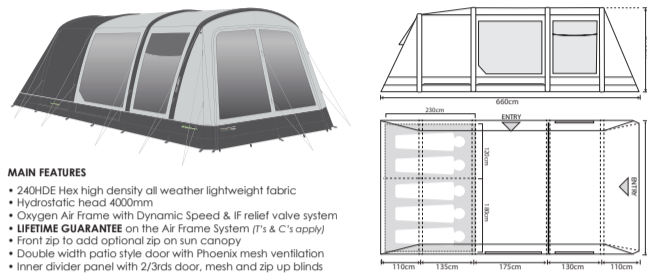

Redesigned & launched in 2021 & now further upgraded, the iconic multi award winning Airedale range has become a firm & trusted favourite amongst campers since 2016 when the range was first launched. Inspired by the needs of serious family campers, utilising cutting edge technologies & the very best technical fabrics, this inspired stunning upgraded collection of 5 models offers something for everyone.

Ranging from a sleek & compact 5 berth family model all the way up to a seriously large family model sleeping up to 13 people with an award winning multifunctional double rear annexe (*registered design*) now featuring on 3 models with upgraded air tubes, offering additional sleeping, storage, toilet & utility space plus rear access & \*side window with curtain (\*6.0SE, \*7.0SE & \*9.0DSE). With multiple ground breaking practical features including double width patio side doors with full mesh ventilation, there isn't much more that we could cram in. When it comes to upgrading & expanding, the Airedale air tent range offers an add on side porch awning with 2 berth sleeping option & front porch extensions, compatible with larger models to vastly increase usable living space & providing greater user functionality.

...A truly inspirational air tent range. We think you too will be inspired!

Since the conception of the ground breaking O-Zone in 2016, the O-Zone air tent has become the aspirational tent of choice for families looking for luxury with features not to be found in any other family air tent on the market. Pushing the boundaries of cutting edge technology to deliver every conceivable function imaginable... & then plenty more.

Features abound in the O-Zone 6.0XTR Safari, such as premium 480HDE ripstop fabric, twin double width patio doors with full mesh to both sides, removeable zip out living room/vestibule partition with integral 2/3rds zip around door, front vestibule ventilated cooking area to both sides, roof light windows, darkened 240cm deep luxury bedrooms with removable end compartment, fully sewn in groundsheet up to the front door; the list goes on.

Complete the look with the optional side sun wing shade accessory & expand with the versatile front porch extension, adding even more space and functionality to your O-Zone Safari tent.

...Pushing the boundaries of family air tent design for campers with aspirations!
